Charter Standard Development update

Pex Hill JFC were awarded Charter Standard status by the FA in February 2009.

As a result, it is recognised that the Club have measures in place for the protection and enjoyment of the children – and safeguards are in place in terms of the quality of coaching provided to the children.

We also have an application pending for Clubmark status with Halton Council.

Look out for updates on the website <http://www.pexhilljfc.co.uk>

Development Officer's update – Neil Burdekin

The Club has moved on tremendously over the last year or so and will continue to do so with your support.

My role involves creating and exploring all opportunities to allow the Club to develop – either financially, in stature or by reputation.

All these avenues are not a one-man job so if you have any ideas on how the Club may develop, please drop me an e-mail.

Any advice will be gratefully received!!!!

New parents of U7 players

Pex Hill JFC are proud to coach and develop your children whilst playing for the Club.

We are also proud to follow the respect campaign from the FA and to promote discipline and respect amongst your children for the benefit of all.

Please visit the FA website <http://thefa.com/Leagues/respect> to view the respect campaign from the FA:

Please take some time to explore the site a little to understand the ethos of the campaign.

Soccer Parent???

In order to understand some of the issues involved in grass roots football, the Pex Hill committee ask the parents of all new players to log on to the internet and view the Respect code of conduct.

<http://thefa.com/Leagues/Respect/CodesofConduct/SpectatorsandParentsCarers>

Please remember, when attending matches and Club functions, that you are representing Pex Hill JFC and that you are an important role model to all the children present (including your own child).

Secretary's update

Just a word to say thank you to all of the team managers who worked so hard over the summer supporting the committee and myself with registering the children with their chosen leagues.

Good luck to all of our teams for the season of 2009/2010, but most importantly enjoy the football!

Penny Cunningham – Club secretary

Club website / Photographs

The Club website will have a section containing images of the children playing football throughout the season. Each team will have their own section.

Although this may take some time to form, they will form the backbone of the presentation at the end of the season. Individual pictures can also be purchased via the website.

If you have any images you would like displaying, please contact the Development Officer, Neil, who will arrange for their display.

***** If you have any issues with images of your child being displayed on the internet, please let Neil know *****
